

REMARKS

This paper is responsive to the Office Action dated May 4, 2007. All rejections are respectfully traversed. Reconsideration is respectfully requested.

At paragraphs 1-2 of the Office Action, the Examiner provisionally rejected claims 1-43 and 45-50 for double patenting. A Terminal Disclaimer is filed herewith that is respectfully believed to meet all requirements of the Examiner in this regard.

Applicants respectfully urge that all present claims are now allowable, and respectfully request that the Examiners rejections be withdrawn. The application is now considered to be in condition for allowance and such action is earnestly solicited.

Applicants have made a diligent effort to place the claims in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone David A. Dagg, Applicants' Attorney at 617-630-1131 so that such issues may be resolved as expeditiously as possible.

Respectfully Submitted,
